

SRC STEM Events

2019 - 2020

www.cnystem.com

SRC offers a variety of opportunities for students and educators to learn about Science, Technology Engineering and Math (STEM). Visit CNYSTEM.com for more information and to register for events.

October 18 - Educators in the STEM Workplace

WHO: Guidance counselors from any CNY school district can register (limit 4 per district).

WHEN: 9:00 a.m. to 1:30 p.m.

WHAT: Learn first hand what it takes to work at SRC and help equip students with the foundational STEM skills needed to be successful later in life.

November 8 - Students in the STEM Workplace

WHO: Students in grades 7-9 from any CNY school district can register (limit 6 per district).

WHEN: 9:00 a.m. to 1:00 p.m.

WHAT: Learn first hand what it takes to work at SRC and learn about foundational STEM skills needed to be successful later in life.

November 15 - Girls in the STEM Workplace

WHO: Girls in grades 7-9 from any CNY school district can register (limit 6 per district).

WHEN: 9:00 a.m. to 1:00 p.m.

WHAT: Learn first hand what it takes to work at SRC and learn about foundational STEM skills needed to be successful later in life.

January 30 - Innovation Challenge Kick-Off Meeting

WHO: Students in grades 6-12 from any CNY school district.

WHEN: Meeting time TBD

WHAT: Learn the rules and get ready for the 2020 Innovation Challenge, a unique competition that asks students to design an invention and pitch it to a group of judges. Prize money is on the line! The challenge is scheduled for March 28, 2020.

Ongoing - STEM Grants

WHO: Educators from any CNY school district can apply

WHEN: Ongoing

WHAT: Groups can apply for \$100-\$500 grants to be used for activities like the robotics club, Science Olympiad, math league, etc. Requests can be made to purchase materials, pay entrance fees or pay for transportation to a competition.

February 2020 - CNY STEM Scholarships

WHO: Seniors from any CNY high school can apply.

WHEN: Submission due in late February. Keep an eye on cnystem.com for due dates.

WHAT: Students can apply for 2- and 4-year scholarships, with an internship during their college years.

Spring event schedule to follow
